

Associates / Senior Architects

Dublin Studio

BDP requires experienced Architects to join our Dublin studio to oversee large and complex projects together with helping to share in the leadership of the BDP Dublin team.

Join BDP and you will be exposed to the full scope of our international practice; helping to deliver the same high standard of comprehensive and integrated building design services that has seen BDP become a leading interdisciplinary practice of Architects, Designers and Engineers.

We are seeking associates / senior architects who will revel in the opportunities provided by our stimulating, inter-disciplinary design studio in Dublin. We prioritise architectural quality and a commitment to understanding and delivering our clients requirements. You will have a unique opportunity to design and deliver a diverse range of high profile designs across the hotel, retail, education, healthcare, workplace, aviation and residential sectors. This is a unique opportunity for an ambitious Architect and good career progression awaits the correct candidate.

About you

The successful candidate will:

- Have substantial experience working at a senior level within a leading design organisation with specialist skills in leading and driving large-scale, technically complex projects using a BIM platform;
- Proven project management under Irish legislation and utilising the Government's Capital Works Management Framework or similar is essential;
- Your portfolio should demonstrate excellent design skills on a range of medium to large scale projects;
- A team leader, you will also be skilled at leading and motivating a team, working to demanding deadlines, and engaging positively with a diverse range of stakeholders including clients, user groups and contractors;
- Be an Accredited member of the RIAI or RIBA Architect, with ideally a minimum of 8-10 years post part III experience;
- Have relevant experience of new building or creative reuse in the sectors above;
- Be an excellent team worker, willing to take responsibility and capable of working under their own initiative;
- Have excellent verbal and written communication skills ;
- Excellent visualisation skills;

Key responsibilities:

- Design of projects from the concept stage through to the construction stage;
- Tasked with delivering high-quality projects using your vast experience and technical knowledge;

- Development of client relationships;
- Developing good relationships with professions across BDP.

Your personal skills:

- Highly motivated and passionate about delivering projects to time, budget and quality;
- Organised and methodical with particular attention to detail;
- The ability to prioritise tasks and work to tight deadlines under pressure;
- Have a pragmatic approach and possess strong problem solving techniques;
- Be commercially aware;
- Strong interpersonal skills, able to build relationships at all levels with clients and employees alike and across all professional disciplines;
- Able to manage Client expectations;
- Excellent written and verbal communication skills in English, with an ability to communicate with tact and diplomacy.

About us

BDP is a major international interdisciplinary practice of architects, engineers and designers working together to create outstanding 'places for people'. Founded in Preston in the UK in 1961, we now have studios across the UK, Ireland, Netherlands, Canada, the MENA region, India, and China. BDP has a leading track record in all major sectors and has over 1000 awards for design quality.

BDP Offers

BDP offers an excellent opportunity for your personal development as well as an attractive remuneration package that includes a competitive salary, flexible pension allowance, employee profit sharing, private medical insurance, contribution towards professional subscriptions and a great working environment.

To Apply
