

Graduate Electrical Building Services Engineer

Dublin Studio

We are seeking a high calibre Graduate Electrical Engineer to join our M&E team in our Dublin Studio.

You will have strong AutoCad skills and a good awareness of design of lighting, power, fire alarm, telephone, data, and access control and security systems for buildings.

You will have strong IT skills including proficiency in the use of Excel, MSWord and electrical design software.

REVIT skills would also be very beneficial.

About us

BDP is a major international interdisciplinary practice of architects, designers, engineers and urbanists working together to create outstanding 'places for people'.

BDP has a leading track record in all major sectors including health, education, workplace, retail, urbanism, heritage, housing, transport, leisure, public safety and energy utilities, having won over 750 awards for design quality from international and national bodies. Our building services team recently won the CIBSE Building Performance Consultant of the Year Award 2018.

To apply for this role please e-mail a CV stating why you believe you are suitable for the position, including an indication of your salary expectation FAO: David Brennan to michelle.kenna@bdp.com

BDP is an equal opportunities employer.

No agencies or third party applications please.
