

Graduate Architects

Dublin Studio

We currently have vacancies for Architectural Graduates, based at our Dublin studio.

The Role

You will be working closely with multi-disciplinary design team members and, dependent on the role, BDP's clients on projects in a variety of sectors.

The Person:

- Will have excellent design and presentation skills using a variety of media
- Possess the ability to communicate verbally in a clear manner
- The ability to communicate ideas compellingly through drawings
- Enthusiasm for team working
- Will be an architectural graduate with five years of architectural education
- As the first BRE accredited BIM practice in Ireland, a 'REVIT Certified Professional' qualification is desirable but not essential.

BDP offers

In return, BDP offers an excellent opportunity for your personal development as well as an attractive remuneration package that includes a competitive salary and a great working environment.

About us

BDP is a major international interdisciplinary practice of architects, designers, engineers and urbanists working together to create outstanding 'places for people'.

We work closely with users, clients and the community to create special places for living, working, shopping, culture and learning across Europe, Africa, Asia and Australia.

We have studios in Ireland, across the UK, Netherlands, the MENA region, India, China and Canada. BDP has a leading track record in all major sectors including health, education, workplace, retail, urbanism, heritage, housing, transport, leisure, public safety and energy utilities, having won over 1,000 awards for design quality from international and national bodies.

You can find out about our Dublin studio here:
