

Landscape Architect

London – Dublin

Full time, Permanent

Closing date: 5th January 2018

We have an interesting opportunity for a Landscape Architect to develop our growing portfolio of landscape design work across Ireland which, while being based in London, would involve regular trips to our Dublin studio. This position could present the opportunity to relocate to our Dublin studio in the future should this be of interest.

You will have the opportunity to develop your career within our award winning, interdisciplinary practice and contribute to an exciting programme of work including the design of parks, streets and urban spaces.

About you

You will have excellent design skills coupled with good relevant experience that demonstrates solid CAD and IT proficiency. Passionate about Landscape Architecture, you will be keen to develop your personal and professional skills in a supportive environment.

You will demonstrate a collaborative team-working style and enjoy working to tight deadlines. You will be able to work effectively with people at all levels and from all backgrounds and have excellent communication skills, both verbally and in writing.

About us

BDP designs and creates inspiring places for people. Our architects, landscape architects, engineers, designers and masterplanners work from studios throughout the UK, Ireland, the Netherlands, Middle East, India and China. Founded in 1961, BDP is now one of the best known interdisciplinary practices in the world and has won over 900 awards for design quality. We collaborate with our clients to realise their aspirations, placing the user at the heart of the design process to create places and spaces that energise and nurture the people who use them. In 2016 BDP joined forces with the Japanese engineering consultancy Nippon Koei, providing us with further opportunities in the developing regions of SE Asia, Africa and South America.

BDP Offers

BDP also offers a great opportunity for your personal development with exposure to the full range of BDP's skills and expertise, as well as an attractive remuneration package that includes a competitive salary, flexible pension allowance, private medical insurance, contribution towards professional subscriptions, profit shares, a great working and social environment and excellent prospects for career advancement.

To apply

To apply for this role please e-mail a CV stating why you believe you are suitable for the position, including an indication of your salary expectation FAO: Nick Edwards to michelle.kenna@bdp.com.

BDP is an equal opportunities employer.

No agencies or third party applications please.
