

Senior Structural Technician

Permanent

The Role

We are looking to recruit an enthusiastic and talented Senior Structural Technician on a permanent basis to work in our Dublin studio alongside our multi-disciplined team on a series of challenging projects. This position is ideal for someone with a willingness to learn and has an aspiration to work within interdisciplinary and mono design teams.

This is a unique opportunity to develop your career at a major international interdisciplinary building design practice.

About You

The ideal candidate, with circa 12-15 years relevant industry experience from a consultancy background, will need to show that they have an eye for detail, knowledge of different structural materials and are skilful at leading and managing the drawing output. Some knowledge of reinforced concrete detailing is advantageous, along with a keen desire to work in Revit within a BIM environment. It is envisaged internal BIM training will be provided to the successful candidate. The candidate will be expected to work on their own initiative and self-manage the drawing output coupled with interfacing with other design teams, contractors and clients.

BDP Offers

In return, BDP offers a great opportunity for your personal development with exposure to the full range of BDP's skills and expertise, as well as an attractive remuneration package that includes a competitive salary, flexible pension allowance, private medical insurance, contribution towards professional subscriptions (where applicable), a great working environment and excellent prospects for career advancement.

About us

BDP is a major international interdisciplinary practice of architects, designers, engineers and urbanists working together to create outstanding 'places for people'.

We have studios in Ireland, across the UK, Netherlands, the MENA region, India, and China. BDP has a leading track record in all major sectors including health, education, workplace, retail, residential, transport, leisure, public safety and energy utilities, having won over 750 awards for design quality from international and national bodies.

To apply, please forward a cover letter and CV, **FAO Michelle Kenna** to dublin@bdp.com, demonstrating how you meet the above criteria with an indication of your salary expectations and start date.

BDP is an equal opportunities employer.
