

## **Associate/Senior Landscape Architect with a passion for urban planning and design**

BDP Rotterdam (previously BDP.Khandekar) is an international design studio that is specialised in the design of urban and inner city areas. The office employs 12 people with varying backgrounds, such as urbanism, architecture and landscape architecture. On multiple scales, we work together on a range of national and international challenging and diverse projects. BDP Rotterdam is part of BDP – the largest interdisciplinary design studio in Europe with over 900 employees worldwide.

As an addition to our team in Rotterdam, we seek an enthusiastic and highly motivated:

*Associate / Senior Landscape Architect with a passion for urban planning and design*

Desired qualities:

- Capable and comfortable leading small project design teams
- Strong design skills and vast experience in landscape and public realm projects
- Strong communicator and vast experience in persuasively presenting design proposals to the client and local residents
- Prepared to work on urban development projects abroad (England, Germany, India, Middle-East)
- Able to positively present the studio to the outside and maintain close contacts with (potential) clients
- Fluent in Dutch (and English)

We offer an intriguing work environment with a varied project portfolio, attractive terms of employment and commendable career opportunities.

Applications, together with a CV and portfolio (PDF) can be sent to [rotterdam@bdp.com](mailto:rotterdam@bdp.com) before the 21<sup>st</sup> of august 2017.

For questions please contact Liesl Vivier or Annemiek Vankoldenhoven (010-747 00 62)
