

# Senior Architect Healthcare Designer

Salary dependent on experience

Good English ability has priority

We are currently involved in a number of high profile UK and international public and private healthcare projects. We are looking for a creative Senior Architect Healthcare Designer to join our successful design team in our Shanghai studio to help design and deliver Healthcare projects in China.

Engaging with, and presenting to influential clients and stakeholders, you will be part of our 40+ strong design team and helping drive our direction in a new wave of challenging, high profile projects.

Ultimately we are looking for a candidates that aspire to creating great places and are keen to progress their career with a major design practice.

## About you

You will have People's Republic of China registered Architect Class 1 qualification, exceptional design skills, and strong experience gained through a minimum 5 to 10 years post degree working within the healthcare sector with successful design firms.

You will have relevant experience of briefing and stakeholder liaison, concept design development, FF&E, technical package production and implementation through to on-site experience and post-completion review.

You will have excellent working knowledge of Revit, AutoCAD, Excel, PowerPoint, and InDesign as well as rendering packages. A good working knowledge of China codes and regulations, and Enscape would be an advantage but training can be provided if/where necessary.

We place great value on team work and collaboration, so you will need to demonstrate a strong team working ethos. You will be able to work effectively with people at all levels, from all backgrounds and have excellent communication skills, both verbally and in writing. Ability to help manage a smaller team across multiple projects will be required.

## About us

BDP is a major international interdisciplinary practice of architects, engineers and designers working together to create outstanding 'places for people'. Founded in Preston in the UK in 1961, we now have studios across the UK, Ireland, Shanghai, Netherlands, the MENA region, India, Singapore and Canada.

BDP has a leading track record in all major sectors and has over 1000 awards for design quality. BDP has a leading track record in all major sectors including health, education, workplace, retail, urbanism, heritage, housing, transport, leisure, public safety and energy utilities, having won over 1000 awards for design quality from international and national bodies.

**BDP offers**

In return, BDP offers an excellent opportunity for your personal development as well as an attractive remuneration package.

**To apply**

To apply for this role please e-mail a CV and covering to [HRChina@bdp.com](mailto:HRChina@bdp.com)

Please ensure that you enclose a CV and relevant examples of work that demonstrate your design skills, also stating why you believe you are suitable for the position. Please include your salary expectations.
